Official Notice # 100

Addendum No. 2

Clarification

City of Milwaukee Form DPW-126, Licensed Surety Corporation Bid Bond was inadvertently not included in The Official Project Manual posted on-line. The Official Notice specifies that a bid security is required for all bidders, being a bond, certified check, cashier's check or cash accompanying the bid. Attached is a blank form DPW-126 for those bidders submitting a bond.

Very truly yours,

Michael Loughran
